4. HEAR, DISCUSS AND APPROVE, IF APPROPRIATE, THE FOLLOWING TECHNICAL COMMITTEE REPORTS AND RECOMMENDATIONS:
 - PROJECT COORDINATOR-Heard: Trails: 1) Tule West: waiting on quotes to come from John Lee and Marcus Dominguez on bridge work 2) Tule East: I met with David Reid and Lionel Garcia with R&B. They are going to do the crushed asphalt on Tule East and History Center. Will ask if can also add Ivy Ln. 3) James has been delivering mulch to the sites. 4) checking into bench/umbrella for Train Depot
 - BIRDING-(Debra) Strothman: Starting the plan to install a map rendering of the trails at the trailhead of Ivy Ln. Jennifer and I walked Ivy Ln again using a map from the file. We found out the map is not accurate with the current trails. Google Earth was not helpful because of the tree canopy; you cannot make out the trails. We've been given a few ideas such as using a GPS breadcrumb mapping app. In addition, Cissy Beasley has graciously offered to donate her drone services. The map we followed listed the front trail as ADA compliant. Apparently, it used to be a concrete trail for wheelchair and walkers. It is no longer concrete. It is that crushed up rock that is not ADA friendly. Since we do advertise that site as being wheelchair accessible Jennifer is going to check into getting the crushed asphalt for this site as well.
 - VOLUNTEERS-Heard: beautification date: Sat, April 22nd 8am-10am(Earth Day). Nature Walk: April 9, Linda Castro at 10 am led by Patrick Hartigan. April 23, Connie Hagar at 10 am led by Neli Spurrell
